Value: Priceless

Taliesin is the home, studio, school, and 800-acre agricultural estate of Frank Lloyd Wright. Wright built Taliesin on his favorite boyhood hill in the Wisconsin River valley homesteaded by his Welsh grandparents and named it Taliesin in honor of the Welsh bard whose name means "Shining Brow."

Our very own Big Cedar Lake neighbor and CLCF member, Ray Lipman, has been involved with Frank Lloyd Wright in numerous ways for the past 25 years. Ray currently serves on the national Board of Trustees for Frank Lloyd Wright Foundation, Scottsdale and Taliesin Preservation, Spring Green, currently serving as the Chairman of Taliesin Preservation. Ray is offering a one-of-a-kind opportunity to four lucky individuals to join him and Mary Sander to visit Taliesin's Shining Brow for a special summer evening in 2018. Ray will share his many insights and experiences that he has learned from the many individuals that actually interacted with the World's Greatest Architect, prior to

his death in 1959, including the impact that Wright is having on Wisconsin's recent renaissance on the world stage.

Experience Taliesin in the atmosphere of early evening on a 2-hour leisurely look at Wright's home Taliesin in Spring Green. Your guides, Ray Lipman, Mary Sander and the Executive Director of Taliesin Preservation, Carrie Rodamaker, will lead you from the orchard through the picturesque gardens and courtyards to Taliesin, where you'll tour Wright's home.

In the spirit of Frank Lloyd Wright's organic architecture and Taliesin's rich farming history, your evening will begin as you join Ray and Mary for an experience celebrating the Taliesin landscape and highlighting the land-use legacy of Frank Lloyd Wright. In a relaxed atmosphere and breathtaking environment, hors d'oeuvres and drinks will be served on Wright's private terrace, prepared by Taliesin's on-campus, apprentice chefs through the Riverview Terrace Cafe, serving under the direction of renowned chef Odessa Piper, Taliesin's Creative Culinary Director. All food will be sourced from local producers and will feature farm-fresh seasonal vegetables from the Taliesin Farm.

Mary and Ray will arrange a location to meet in West Bend for the two-hour drive to Frank Lloyd Wright Visitor Center, Spring Green, Wisconsin. The exact date will be coordinated between Ray, Taliesin Preservation and the lucky bidder of this one-of-a-kind package.
